Subject: No.20 Crumcup Sink Strainer

Dear Mr. Hermanson:

We don't want you to think that we have forgotten the matter contained in your letter of February 5 relating to the above subject.

We were delayed in securing a copy of the Schaible patent from the Patent Office. We have also been working with our patent attorney regarding this matter. Several weeks ago when the writer was in Chicago, in talking with Mr. J. O. Lange, Engineer of Patents, we also discussed the Crumcup Sink Strainer.

We hope that sometime next week we will be able to bring some definite information to your office.

With best regards, we are

Yours truly,

M.C.Frost/VL
